busy for the past three weeks and that we hoped it would continue since worked had been stop for a couple of months. Devin and Damon asked if they could play with one of their friends a little longer so we said okay. Darin, Dara, and I just sat around and watched a little t.v. Later, I'm not sure of the exact time I asked Darin to drive Dara (my sister) home because I wasn't feeling too well. and part of the floor in front of the t.v.
with Drake while I made some papers.
About 20 or 25 minutes later Darin
came in and got down with us
while we watched t.v. Drake started
to get fussy so I gave him a
bottle and I believe Darin fed him
the bottle. Soon after the boys both
fell asleep. Darin took the baby
upstairs and put him in his
crib and came back downstairs.
We talked about a few problems
we were having with the car and

I have been having some depression.
I told Devin I was depressed because
I hadn't been able to talk to boys
anywhere because we only had one
car. He told me he loved me
and asked me if I wanted him
to sleep downstairs with me because I
wanted to stay up a little and watch
t.v. I told him no because I didn't
think he would be able to sleep on
the couch and get any sleep. I had
been sleeping on the couch the past
week or so and on because he baby
slept in our room in the crib and
when he moved he woke me up.

Darin and I layed together for a little while and then decided to go to sleep because he had work the next day, this was around 12:30 or 1:00, I'm not sure. He kissed me and said he loved me, and I told him I loved him and would see him in the morning. After awhile T started to get sleep. The next thing I woke up and felt a pressure on me. I felt Darin press on my right shoulder and heard him cry, this made me really come awake and realized there was a man standing down at my feet walking away from me. T walked after him.

and heard glass breaking. I got halfway through the kitchen and turned back around to run and turn on the light. I ran back towards the utility room and realized there was a big white handled knife lying on the floor, it was then that I realized I had blood all over me and I grabbed the knife thinking he was in the garage. I looked over and saw the door shut to the garage so I thought he might still be in there and I needed to get Devin. I ran back through the kitchen and realized the entire living area had blood all over

everything. I put the knife on the counter and ran into the entrance, turned on a light and started screaming for Devin. I think I screamed twice and he ran out of the bedroom with his jeans on and no glasses and was yelling, what is it, what is it. I remember saying he cut when he tried to kill me, my neck, he ran down the stairs and into the room where the boys were. I grabbed the phone and called 911. Devin started giving Devon CPR while I put a towel on my neck and a towel over Devin's neck. I remember

telling person to hang on mommy was there. I looked over at Eric and said the glass table had been knocked out of and the flower arrangement had been knocked over. I then stood up and turned around and saw glass all over the kitchen floor. I tried to glance over to see if anything was out of place or if anything was missing. so fast. I went back to Darren and by then he had stopped moving and the police walked through the door. The paramedics came and tried to work on the children. Darren was screaming Who Did This Who Did this and I started asking if my babies were dead. Darren was crying and said yes. After that I just remember screaming and shaking Darren on my neck.
